Please provide all records relied upon by SARS in formulating the above Letter of Findings, including (without limitation):

- a) All bank statements obtained or relied upon;

2) Form of access

Electronic copies (PDF/CSV where applicable) via eFiling correspondence or secure email. If any record exists only in paper, please provide scanned copies.

3) Non-existence / transfer

If any requested record does not exist or cannot be found after reasonable steps, please provide written notice to that effect. If a record is held by another public body, kindly transfer the request and notify us accordingly (PAIA s 20).

4) Purpose and urgency

The records are required to enable a meaningful response to the s 42 Letter of Findings within the prescribed timeframe and, if necessary, to exercise rights under Chapter 9 of the TAA (objection/appeal). We understand that access to information in SARS's possession must be pursued under PAIA.

5) Fees

This is a personal requester application. No request fee is payable. If reproduction or access fees apply, please advise the amount and payment method before processing and indicate if a deposit is required.

6) Redactions and partial access

If you contend that any part of a record is subject to refusal, please **sever** the exempt portions and grant partial access to the remainder, together with written reasons for any refusal and details of available remedies under PAIA.
