Dear Mr Bobroff

Kindly see the email below as well as my sworn statement to truly realise what you were dealing with if you haven't seen it already. Unfortunately we are all just victims. The law will be dealing with him.

He clearly thrives off of destroying people.

Kind Regards

Michelle

Mr Beamish,

Kindly find the attached, which are self-explanatory. The one is a historical protection order application, after you committed fraud and intimidation three years ago.

The other is an application launched against you this week, by another of your many victims.

Given your propensity to commit crime after crime and now to sink so low as to sexually assault the daughter of the woman you have been abusing and controlling for the last five years, I am requesting Webber Wentzel to review their erroneous decision to make an award to you in the first instance.

This request is not only because you have seen fit to engage in such disgraceful conduct as to sexually assault young ladies, but also because you chose to 'win' the award from Webber Wentzel, through a process that required you to commit fraud, theft and intimidation, in order to 'create' the news you wanted, rather than to report factually on what was going on out there. Whilst some journalists refuse to let the truth stand in the way of a good story, it is clear that you have actually fabricated much of what you have been (wrongly) lauded for.

Frankly, I have always found you to be a most despicable psychopath, deserving of a prison cell and I will do what I can to ensure you get what you deserve. Your crime spree will soon be brought to a standstill.

If it was my daughter you abused like that, a protection order would not be necessary, as I would have dealt with you myself

Should you even dream of stepping foot into this poor girl's life once more, I will personally intervene to put an immediate halt to your criminal ways.

Dario,

I'm sure you've always known what a despicable person Beamish is.

If not, you know now and I certainly hope you will ensure distance between Webber Wentzel and him in the future, after first recalling the award you made to him, which he obtained through a process of deception and abuse of others.

There can be no doubt in my mind that choosing Beamish as a recipient of your award, was a low-point in the history of Webber Wentzel, a firm with which I have been proudly associated with for more than 35 years.

Rewarding criminals, begets more crime from the same people.

Best wishes,
