**Subject:** URGENT REQUEST FOR COMMENT: Mrs Venter - the trailer

Dear Monsieurs Bobroff

As you are aware, your former employee, Mrs Zenobia Venter, was arrested yesterday morning and bailed today (Friday) as a co-conspirator with Mr Darren Bobroff to commit fraud.

Please let me have your comment on her arrest, particularly whether you have funded her bail - a piffling AUD940-00 - and the hearing and whether you will also be covering the costs of her defence as it is alleged by Mrs Venter that the alleged crimes were committed by her at the behest of Mr Darren Bobroff.

Furthermore, if she is charged alone, will Mr Darren Bobroff come to South Africa to testify in her defence?

I have made a number of attempts to track down Dr Botha, whose name repeatedly came up in Mrs Venter's bail hearing. I am informed that you are in possession of his full contact details.

In hindsight I now appreciate your reticence in passing on to me the contact details of Mr Filipe Pombo and your reasons therefor, but no such considerations could apply to the contact details of Dr Botha. I therefore look forward to receiving his details from you.

The story which I propose to write for a local publication will also hopefully be syndicated abroad, *inter alia*, in the Sydney Jewish Report and The Daily Telegraph.

The story bears the title it does as it is merely an introduction to Mrs Venter's forthcoming trial.

Please let me have your comment - and Dr Botha's contact details - by 5PM South African time on Monday.

Regards

Yours sincerely
